

COMPANY MISSION STATEMENT

Morgan Marine Ltd.'s aim is to achieve a consistent, sustainable growth in turnover and profitability.

“A happy customer is a profitable sale”

This mission is underpinned by our integrity and commitment to people, training, research and development. We aim to provide secure, worthwhile and well-paid employment, being conscious of our social and environmental obligations, locally, nationally and globally. This is the key to enhancing our position as clear market leader in the provision of total solutions to protect national infrastructure.

VISION STATEMENT

Our vision is to be a sustainable, inspirational company that people want to;

“Be associated with, work with, buy from and supply to”
